

April 30, 1975

CLERK: Roll Call vote taken. See Page 1529, Journal.
26 ayes, 20 nays, 3 not voting.

PRESIDENT: Motion fails. Senator Cavanaugh.

SENATOR CAVANAUGH: Well, now, if I wanted to reconsider this, would I have to take up the A bill too?

PRESIDENT: I think that is a decision you'd have to make but it seems to the Chair that you ought to dispose of the A bill because you may run out of time and you ought to get a resolution of it so that you could take it up on a motion to reconsider later.

SENATOR CAVANAUGH: I still have my motion on the A bill, right?

PRESIDENT: Yes.

SENATOR CAVANAUGH: OK. So we should take that up...

PRESIDENT: Yes. Well, that is up to you.

SENATOR CAVANAUGH: OK.

CLERK: Just lay it over, if you want to hold it to a future date.

SENATOR CAVANAUGH: Well, I can't...

PRESIDENT: It has to be taken up within a certain number of days.

CLERK: Yes, but he can't extend the other one by reconsidering, either. The days are the same.

PRESIDENT: I don't see how you could prejudice your position by taking up the A bill at this time and then your reconsideration would be together. The decision is yours, Senator.

SENATOR CAVANAUGH: Well, I don't prejudice my position by not taking it up, right? I can still take it up.

PRESIDENT: Well, your terminal date is the same. In other words, the motion to reconsider does not extend the overall time.

SENATOR CAVANAUGH: Am I still within time?

PRESIDENT: You have got five days from the date of the veto and a motion to reconsider does not extend that.

SENATOR CAVANAUGH: That is to file my motion. Not to take it up? OK. I don't think it makes any difference. Let's lay over the A bill.

PRESIDENT: The A bill will be laid over. Senator Chambers.

SENATOR CHAMBERS: Can I file my motion to reconsider our action, then, on 267? Just so it will be on record, then we can work out when the two will be taken.
